

Inez Marie Garrambone

DECEMBER 12, 1944 – MARCH 11, 2022

A member since 1995, Inez passed away March 11th. For many years Inez ordered and picked up the flowers for our luncheons. she was a long time bridge player. She also chaired the "Fun After Fifty" group at Holy Family Church. Inez lost her husband, Peter, to Covid-19 a few years ago.

The funeral Mass for Inez was held on Friday, March 18, at Holy Family Catholic Church. Over 30 WOW members attended the mass.

Remembering INEZ GARRAMBONE

She was always the flower lady and when I was on the board I always gave her the number of how many birthdays for the month. When I asked her what about her birthday she said she did not want to hear about it! So I always bought her the flowers for her birthday in Dec & everyone clapped and cheered!

I always remember her being there but not sure what else she did. She was in casual lunch at one time. Missed for so many reasons her beautiful smile and caring ways. - Suzanne Bender

I don't recall Inez being an officer when I was on Board, however she was at every meeting with the flowers and always someone to count on having and sharing an opinion and I don't mean that in a negative way at all--opposite of that--she REALLY CARED about WOW and all the members individually. - Janet Hebert

I do not remember anything other than the flowers. Maybe she was a model at one of the Fashion Shows?! She was always good for laughs and always upbeat to visit with. I played on a tennis team, not WOW, with her for several years and we had many lunches and parties together.

Inez was also involved with Holy Family Fun after 50 Group. Inez was the sole leader forever and I think she started it up. She is one of those people that cannot be replaced. She will be much missed. She gave to the community in so many ways.- Pat Rixmann

She helped out with the Bazaars we put on years ago. Everyone knew her and she helped out with projects that were fundraisers.- Noel McGuigan

Who remembers the December luncheon when Sky sang Happy Birthday Sweet Sixteen to Inez for her birthday? She still had that photo on her phone and there are lots of videos also. One of my favorite memories was her arriving at Mary Greene's house for a Board Meeting driving her husband's RED Corvette sports car. She looked great in that car! - Darby Turnipseed
